Dear Friends,

It gives us immense pleasure to inform you that **Rama Dental College & Rama Hospital & Research Centre "Department of Surgical Oncology"** Is Organising Indo Global Summit & Workshop on **Orthognathic & Head-Neck Onco Surgery, From 3rd to 5th March 2017**. The event will include live surgical workshop, Demonstrations & Interactive Sessions on Orthognathic Surgery & Head-Neck Onco Surgery.

The theme of this summit is "Multidisciplinary Approach-Expanding Treatment Horizons."

During this meeting the aim is to elucidate the importance of multidisciplinary approach to improve the outcome by involvement of various clinical specialties.

The conference includes Orthognathic Surgery, Orthodontics, Onco Surgery, Oral & Maxillofacial Surgery, Micro Vascular Surgery, Medical Oncology, Radiation Oncology, Surgical Pathology.

The congress's stellar scientific program will feature many National & International experts from across the country & abroad.

We are sure that everyone attending the conference will be enriched with current concept and approach to this difficult issue.
