

Seminar on "Role of Academia in Defence Research and Development"

&

Visit at RAMA University for Research and Academic Collaboration

With solid State Physical Laboratory, DRDO, New Delhi

05th May, 2017

Faculty of Engineering & Technology, Rama University, Kanpur, INDIA

Dear Sir /Madam.

We feel privileged to inform you that Faculty of Engineering & Technology (FET), Rama University, Kanpur is organizing a Seminar on **Role of Academia in Defence Research and Development & Visit at RAMA University for Research and Academic Collaboration With solid State Physical Laboratory, DRDO, New Delhi** during May 05th, 2017. The seminar will be conducted at FET, Rama University Kanpur.

This seminar aims to develop a sense of appreciation of academics in defence research and filling the gap between academics and practical implications of it in defence R&D. The technical seminar will embrace and invite our students and faculty members of all departments to actively participate. This event would provide a platform to our students and faculty members with our guest and Speaker **Dr. Manoj Umesh Sharma Scientist 'G', Associate Director, DRDO-SSPL, New Delhi** for exchanging idea in an impressive dynamic environment.

We are requesting you to kindly motivate your faculty, research scholar and students to attend the seminar.

Your support and co-operation will be highly appreciated.

With Warm Regards,

Dr. Vivek Srivastava
Dean, FET

Raghvendra Singh
Convener
Faculty of Engineering & Technology,
Rama University, Uttar Pradesh Kanpur
