 rcn.kanpur@gmail.com  www.ramauniversity.ac.in

About RCN

Faculty of nursing was established in 2008 with an adjoining medical college. The faculty is recognized by the INC and UP State Nursing Council to offer PG, UG and Diploma programs in nursing to meet the diverse need of health care sectors.

Rama University is a renowned name in the world of education, recognized by the UGC and the govt. of India, the university is rising as one of the largest educational establishment in the country.

About Conference

Since nursing is undergoing tremendous changes and challenges, research will greatly help to meet the social challenges and needs in Health Care delivery. A strong research base enriches the professional lives. Nurse researchers play a vital role in development of policy in both Nursing Education as well as in Nursing Practice.

They contribute to the foundational knowledge important to all nurses and they support the notion of evidence-based care that forms the backbone of quality health care.

Nursing research has a significant influence on current and future professional nursing practice, thus rendering as an essential component of the educational process. Nursing research is critical to the nursing profession and is necessary for continuing advancements that promote optimal nursing care.
