The University is recognized by UGC (University Grants Commission) and is emerging as one of the largest educational establishments in Northern India.

About Faculty of Engg. & Technology

Faculty of Engineering & Technology offers under graduate, post graduate and doctoral courses at the Kanpur campus. The faculty offers courses under different streams and areas of studies including Mechanical Engineering, Electronics & Communication Engineering, Computer Science & Engineering, Civil Engineering, Biotechnology, Biomedical Engg. Computer Applications FET is one of the principal academic movers which help students to specialize in the field of Engineering & Sciences. Faculty members have been consistently presenting their research findings in national and international conferences. All Departments has strong research program in Computer Science & Engineering, Communication, Biotechnology and Mechanical Engineering field. The department's have received grants from Government & Semi-Government agencies.

Conference Theme

ESAR'18 aims to present and discuss the state of art in the areas of Advanced Research in Electronics, Electrical, Computer, Mechanical, Civil Engg, Biotechnology & relevant field. The objective of the conference is to bring together academicians, researchers, professionals, executives and practicing engineers, from various industries, research institutes and educational bodies to share and exchange ideas and information on the theme of the conference.

Topics of ESAR'18

will include, but will not necessary limited to, on following areas:

- Digital Signal Processing & Image Processing
- Software Testing & Green Computing
- Wireless & Mobile Comm. System
- RF & Microwave system/ Antenna Systems
- VLSI Design/ Embedded Systems & Robotics
- Optical Network & Communication
- High Performance Communication Networks
- Genomics & Proteomics/Nano Biotechnology
- Biomedical /Bioinformatics/ Biometrics
- Power Generation and Power Electronics
- Remote Sensing & Satellite Communication
- Materials Engg/ MEMS/ Concrete Technology
- Agriculture/ Biotechnology/Bioprocess Engg.
- Applied Sciences/ Industrial Chemistry
- Engineering Mathematics

Speakers

Keynote address and tutorial sessions will be delivered by eminent speakers such as Prof. Hugo Proenca, UBI Portugal, Dr. Asnor Muizan Ishak, Sr. Principal Assistant Director Department of Irrigation & Drainage, Malaysia. Dr. Chandra Shekhar, Sr. Professor & Emeritus, BITS, Pilani, Rajasthan, India, Prof. Jawar Singh IIITDM, Jabalpur, India, Prof. Vipin Tyagi, Jaypee University, Guna, Madhya Pradesh, India, Dr. Eswara Prasad, Director, DMSRDE(DRDO), Kanpur.
