## The World is a Family

- one pole has pride in Indian culture while other pole take it as a burden, source of conflicts & roadblocks to progress acc. to English educated society 'Dharma - Religion' but it is partly true
- Dharma is concerned with all aspects ,individual, social, family, political, administration
- It promotes welfare of all beings not only of humans
- Poojas, fasts, rituals, going to temples for selfish end and keep away evil
- forces
- Multi-cultural is way out and will provide meaning to " Vasudhaiv Kutumbakam"

# SOME IMPORATANT DICUSSION QUESTIONS

What do you mean by values or human values? What is value education? Why there is a need of value education? How does value education helps in fulfilling one's aspirations?

ANS. Character oriented education that instils basic values and ethnic values in one's psyche is called 'Value Based Education'. The subject that enables us to understand 'what is valuable' for human happiness is called value education. Value education is important to help everyone in improving the value system that he/she holds and puts it to use. Once, one has understood his/ her values in life he/she can examine and control the various choices he/she makes in his/ her life. Value education enables us to understand our needs and visualize our goals correctly and also helps to remove our confusions and contradictions and bring harmony at all levels. It also helps remove our confusions and contradictions and enables us to rightly utilize the technological innovations. Values form the basis for all our thoughts, behaviors and actions. Once we know what is valuable to us, these values becomes the basis, the anchor for our actions. We also need to understand the universality of various human values, because only then we can have a definite and common program for value education. Then only we can be assured of a happy and harmonious human society

## **Explain the process of value education.**

ANS. The process for value education has to be that of self-exploration, which includes two things: verification at the level of natural acceptance and experiential validation in living. Self exploration is the process to find out what is valuable to me by investigating within myself, what is right for me, true for me, has to be judged within myself. Through self exploration we get the value of our self . Various aspects of reality facilitating the understanding of human values will be presented as proposals. We need to verify these proposals for our self and examine our living in this light.
