**Instructions:-**

1. Student login before 10 minutes of scheduled time, if any student login other mobile/system, it will be deactivated automatically.
2. All our exam servers and backup server will be active for exam period, if any problem persists? It means there is problem in your computer, setting, internet. if any student lack in sufficient computer knowledge please consult with your friend or family member who knows about computer and internet.
3. Appear for online exam on given time and schedule so you and our support team can get sufficient time for solution, if any problem occurs during exam info to year Dean/HOD/COE Office.
4. Exam rules are very strict and important part so it must considered with priority and any type of negligence is not acceptable.
5. Online examination under surveillance. if any student found UFM activity, He/She will be treated as UFM case and paper has been cancelled of the said student.

**Note:- Those students, who have not appeared or not qualified EVS-001\* (Environmental Studies).**
