

### UNDERTAKING BY THE CANDIDATE

This is to acknowledge that I am aware of the following prerequisites for the successful completion of the part- time PhD Program and will fulfill all the necessary requirements:

1. I declare that I am not pursuing any other Program in any University and shall not pursue while remaining enrolled for this PhD Program.
2. I acknowledge that the Coursework Subjects and their assessment method, once decided will remain unchanged throughout the duration of my program.
3. I will accept and complete any additional Course work prescribed in relation to my chosen topic of research.
4. I am aware that the University will provide reference material for the coursework subjects. In case of non-availability of the reference material for a particular subject, I will receive a syllabus with a list for suggested readings.
5. I will attend the Course Work classes as per the schedule laid down by the University/ Department.
6. I will actively participate in and attend workshops/ seminars/ conferences organized by the University.
7. I will remain in contact of my Supervisor throughout the period of research.
8. I will conduct my research work with honesty and in an ethical manner. I will not indulge in any malpractice or plagiarism. I will maintain the integrity of data and publication work. I will get my Supervisor's approval before publishing any work out of my PhD.
9. I am aware that the University will take disciplinary action against me in case of unethical conduct and wrongful publication of my research work.
10. I will update my supervisor of my progress regularly and take his/ her instructions. I will present my progress to the University at the fixed frequency in the prescribed format.
11. My Research Work once submitted will also be the University's intellectual property and may be used by the University for Publication and Promotional purposes.
