AGRICULTURAL
SCIENCES & ALLIED INDUSTRIES

Digital Class Rooms | Lab Facility | International Collaborations | Library | Industry Collaborations | Transport | Hostel

ABOUT THE FACULTY

Faculty of Agriculture at Rama University covers educational and scientific/research activities with an aim to promote science-based agricultural education and research. The comprehensive program provides students with sound knowledge in the mathematics, science and engineering science required to solve agricultural engineering problems. It also enables them to effectively identify and design sustainable solutions to address issues and global opportunities.

The agriculture degree program at Rama University ensures successful professional careers in agro- industries, government organization, educational / research / extension institute. It equips the students to demonstrate strong leadership skills, ethical integrity, and professional engagement in any work settings. With a degree in Agricultural Science, students take their first step towards a rewarding career.

FACULTY ACHIEVEMENTS

- Best Agriculture Education Brand Award.
- Young Scientist Award.
- M. S. Swaminathan Honorary Award.
- Bestowed with numerous best teacher's awards at national level.
- Developed collaborations & linkages with the industry and academic institutions for internship of students.

INFRASTRUCTURE

- Smart class rooms with Interache Panels.
- Well Equipped Laboratory for Biochemis -try, Biotech, Soil Science, GPB, Agronomy, Post harvest technology, Horticulture, protected cultivation Etc.
- Advanced Setup for skill development and entrepreneurship modules, including Bee - keeping, Horticulture Nursery, Seed pro -duction, Organic agriculture, post-harvest, etc.
- Our infrastructure aims to produce a human capital trained to lead agricultural arena in contemporary time, when there are enough challengers of uncertainty in climate, resource constraints and an ascending population.
- Extensive farmlands to give requisite prac -tical exposure to our students.
- Well equipped computer lab with advan-ced agriresearch facility.

OUTREACH PROGRAMMES

Faculty of Agricultural Sciences and Allied Industries has initiated many extension outreach program for abatement of pollution and to develop of Insight about the latest innovative technology among the farmers.

The extension outreach programs include Recent Innovations in agriculture, clean Ganga campaign a campaign for affore- station and multiple campaigns for the Unnat Bharat in which students have visit -ed the adopted villages to interact with the farmers and to experience the real life challenges in agriculture in practical scenario.

RESEARCH INCLINATION

Faculty of Agricultural Sciences and Allied Industries has published numerous research papers in the reputed NAAS rated Journals related to Agronomy, Genetics and Plant Breeding, Horticulture, Agricultural Extension, Economics, Soil Science and Plant Pathology. Patents have also been filed and published by the department. Students are also provided with the exposure to different research trials during their degree program.

SUCCESS TESTIMONIALS

> **JAY VARDHAN BOUDH**
Dr. APJ Abdul Kalam Education Excellence Award

> **AYUSH SACHHAN & MS. SHOBHA**
Selected for ABM at IABM, Bikaner

> **YAQOOB IQBAL SIDDIQUI**
Selected for PGDM, Institute of Rural Management Anand Agriculture University, Gujarat

> **SUMIT AGNIHOTRI, DIVYA KATIYAR**
Selected at Banaras Hindu University

> **AYUSH KUMAR (PAU, LUDHIANA)**
For Master's Program

> **PARUL PANDEY, NISHIL DIXIT**
Numerous Selections in UPCATET/Higher Education

PROGRAMMES

- **B.Sc.** (Hons.) Agriculture
- **M.Sc.**
  - Agronomy
  - Agriculture Extension
  - Soil Science
  - Horti. (Fruit & Veg. Science)
  - Plant Pathology
  - Agri Economics
  - Genetics & Plant Breeding
- **Ph.D.**

ENGINEERING AND TECHNOLOGY

www.ramauniversity.ac.in

ABOUT THE FACULTY

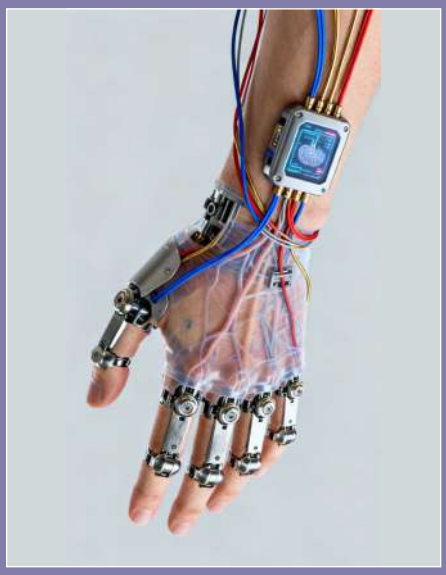

The Faculty of Engineering and Technology is fully equipped with all the facilities to deliver world-class engineering education. With a vision to provide goal oriented & industry-relevant education, the syllabus has been designed in conjugation with the latest industry protocols, industrial tours and frequent grooming workshops. The Faculty has a strong team of highly quailed teaching faculties who guides the students to achieve their goals.

INFRASTRUCTURE

- All the departments are equipped with adequate infrastructure to support academic, research & extra-curricular activities for the all-round develop - ment of our students.
- Rich collection of books, Latest Inter - national Journals and E-learning facilities to enable the best learning experience to the students.
- All the Dept. has ICT classrooms.
- Well equipped and advanced labora - tories.
- Regular Workshops, Talks, Confe - rences Industry visits, Tech fest and faculty development programs for the benefit of the student and faculty community.

PLACEMENT @FET RAMA UNIVERSITY

Over the yrs, FET has seen a consistent rise in placement rates, with alumni excelling in diverse sectors & countries around the world. Graduates from branches such as Computer Science & Engineering, Biotechnology, Mechanical Engineering, and Civil Engineering have secured prestigious positions in top-tier companies globally. Notable organizations like Microsoft, Google, Infosys, Siemens, Biocon, L&T, TCS, and many others have welcomed Rama University alumni into their teams. From software developers and research scientists to design engineers and infrastructure planners, FET graduates are making impactful contributions in the various countries. The university's emphasis on practical training, industry exposure, and skill development ensures students are equipped not just with academic knowledge, but also the professional competencies required by global employers. The dedicated placement cell provides regular training sessions, mock interviews, internships, and career counseling, which significantly enhance students' employability. The global footprint of its alumni is a testament to the quality of education and the promising career path that Rama University provides its engineering students.

MECHANICAL ENGINEERING

From the thermodynamics of the classroom to the dynamics of the industry.

CIVIL ENGINEERING

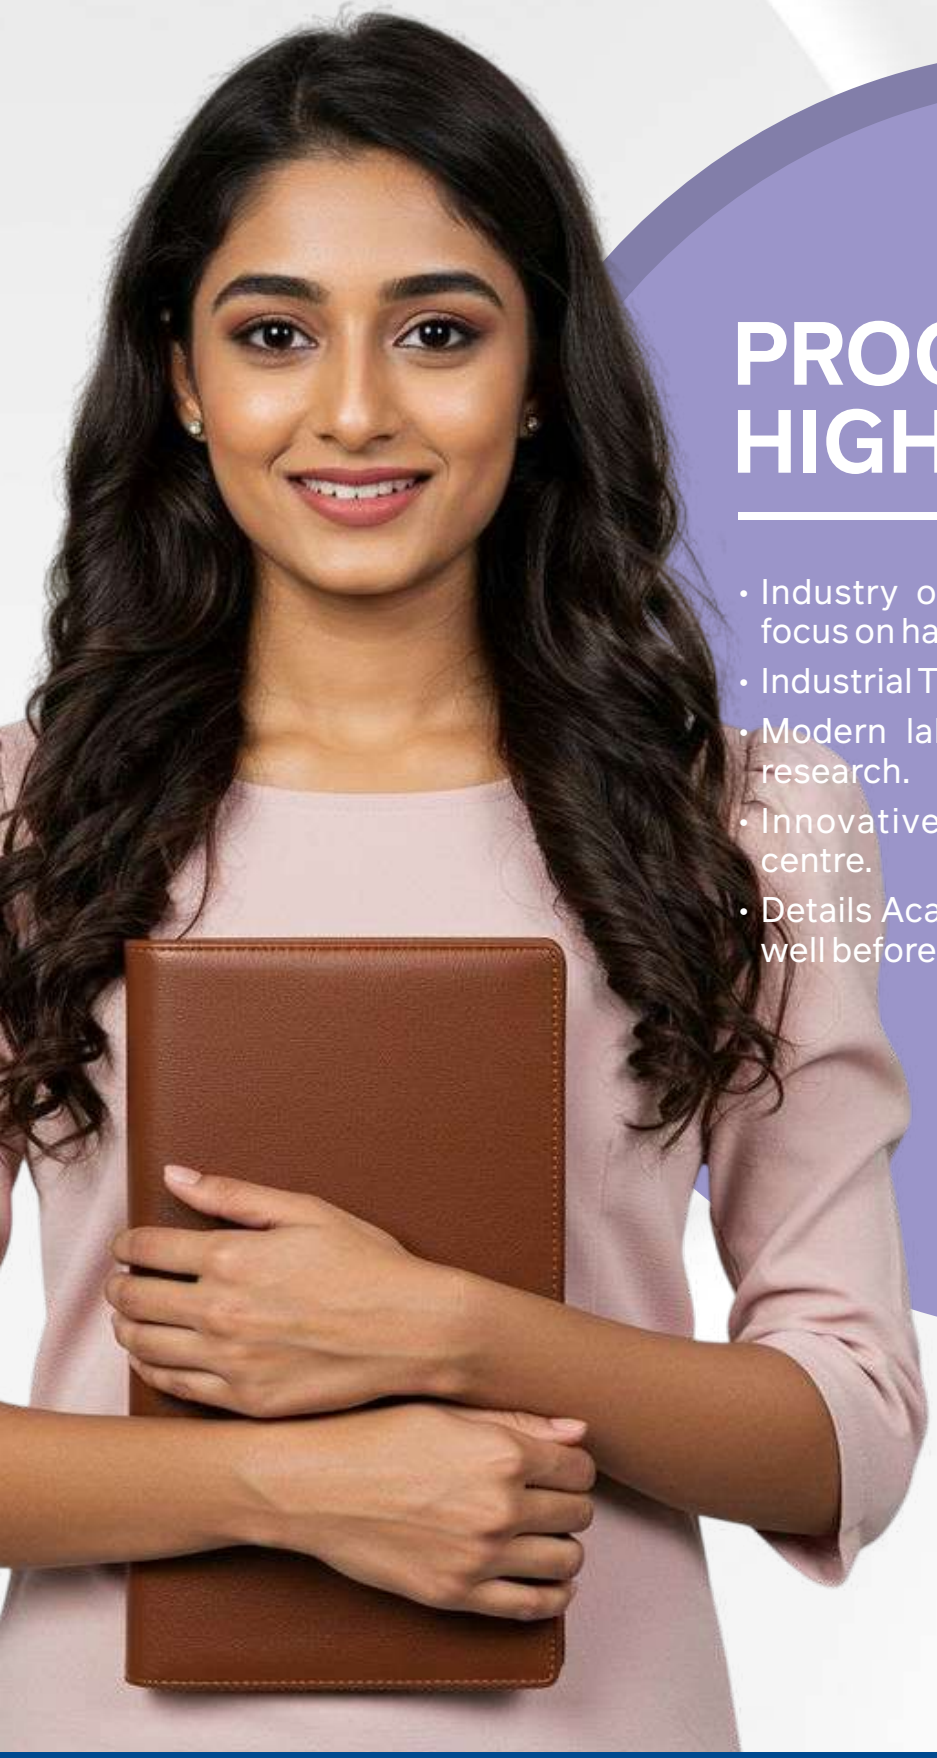

Every great structure needs a solid foundation - start your career here.

CS ENGINEERING

The ultimate stack for your career: Skills, Passion and Placement.

PROGRAM HIGHLIGHTS

- Industry orientated syllabus with special focus on hands on training.
- Industrial Training/Internship.
- Modern laboratory facilities for advanced research.
- Innovative projects through incubation centre.
- Details Academic Planning for our students, well before the start of each semester.

Digital Class Rooms | **Lab Facility** | **Industry Collaborations** | **Library** | **International Collaborations** | **Wifi Enabled**

PROGRAME OFFERED

- B.Tech- Computer Science & Eng.
  AIML, DS, M.Tech, BCA, MCA, Ph.D
- Biotechnology
  B.Tech, M.Tech, B.Sc, M.Sc, PhD
- Mechanical Engineering
  B.Tech, M.Tech

Commerce & Management

Scan for More Info:

ABOUT FACULTY OF FCM

- The Faculty of Commerce and Mgmt. was established in the year 2014. Offers under graduate and post graduate courses in Commerce and Management.

The dual objectives of the FCM are:

- To equip students with managerial & analytical tools required for business manage -ment in today's highly competitive world and to provide opportunity to students to explore new business world by enabling them to make optimal business decisions via strategic business planning.
- To Promote Entrepreneurship among students as a viable career option.

NATIONAL & INTERNATIONAL ACCOLADES WON BY OUR STUDENTS:

- Smart India Hackathon 2022.
- Innovation, Design, and Entrepreneurship Bootcamp 2023, 2024 & 2025.
- TIE Global Competition.
- Selected for the prestigious 16-Day Entrepreneurial Journey – "Jagriti Yatra", Mumbai 2024.
- Startup incubated by STPI Vishakhapatnam, STPI Bhubaneshwar & I.I.M. Lucknow
  Enterprise Incubation Centre.
- Student placed in anounced organisation like SIIC (IIT Kanpur), TCS, Axis Bank, ICICI, Bajaj etc.

Budget Symposiums

Business Plan Competitions

Entrepreneurial Support

Case Study-Based Learning

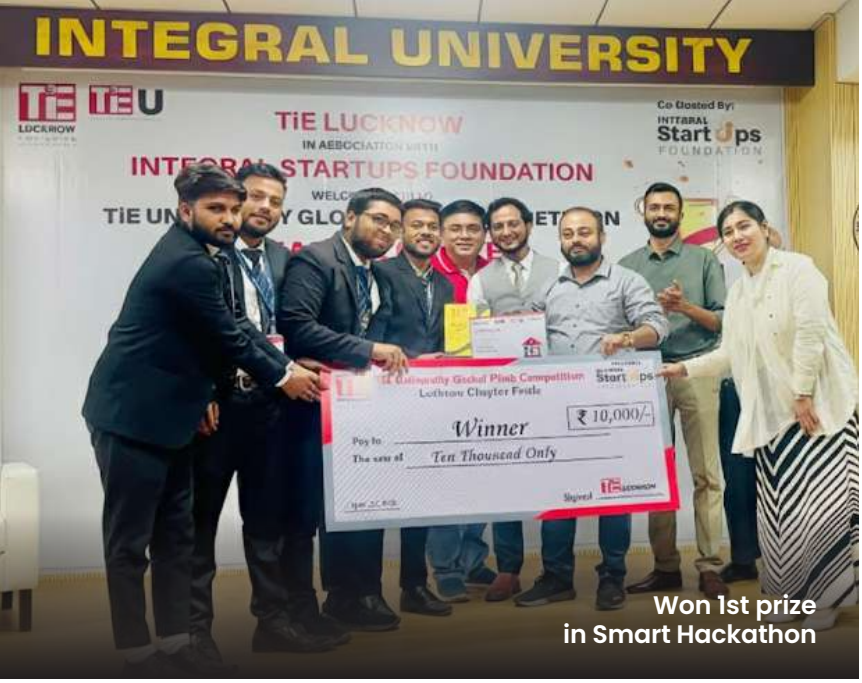

Industry Collaborations leading to 100% Placements

Live interaction with Shark Tank India fame CEOs

Strengths of FCM

- Highly Qualified Faculty: Majority of the faculty members are Ph.D from reputed Universities and are UGC NET qualified.
- Highly Experienced Faculty Members: FCM has a fine blend of Professors (having an average experience of 25 years), Associate Professors and Assistant Professors specialized in various areas of Management and Commerce.
- Significant MoUs have been signed by FCM: IIT Kanpur (UNESCO MGEIP); National Entrepreneurship Network (NEN) JARDS, IEDUP, Barclays, Bajaj Finserv etc. HealthPrax (Germany) to promote improvement in research, skills training, entrepreneurship, soft skills, Peace and resilience among the students. Similarly MoUs have been signed for improving the research domain of its faculty (Research Foundation of India).
- Excellent Placements: 100% eligible students of all the programmes are placed in companies of repute. Highest package offered is 20 LPA.
- Focus on Start-ups and Entrepreneurship: The students are provided hand hold support for developing entrepreneurship skills. FCM is focused on developing a breed of youth who can initiate their own startups.
- Industry Interface: Strong interface with the industry has been developed to provide our students with the practical training and requisite skill set. This interface works on the basis of Industrial Tours, Expert Talks and Workshops conducted by experts from the industry.

OBJECTIVES

- To create an environment which encourages and supports the institute's endeavour of attaining international repute.
- To produce pharmacy graduates who are globally competent.
- To introduce innovative program in emerging areas.
- To organize continuing pharmacy education programs.
- To develop the spirit of entrepren -eurship.
- To organize faculty development programs.
- To serve as catalyst in bringing the best in each student.
- To develop demand oriented curri -culum to meet industrial needs.

ELIGIBILITY CRITERIA

- 10+ 2 with (PCB/PCM) for D. Pharm B. Pharm & Pharm D.
- B. Pharm From Recognized University For M. Pharm and Pharm. D (PB).

KEY FEATURES

- Latest software based practical.
- Industrial Training & Placements.
- Research Faculties.
- Interactive smart class room.
- Hospital based clinical case studies.

OUR VISION

To become a premier, globally recognized institute by excelling in pharmacy education for creating socially responsible pharmacists and researchers.

OUR MISSION

To enable students to develop necessary skills in the field of pharmaceutical sciences so as to contribute in the nation building process and enrich their lives. The Pharmacy course has been designed in such a way that provides students with the most enriching exposure to Pharma research and development. The Faculty offers the best practical exposure to students through its leading facilities and laboratories under the guidance of faculties.

CAREER OPTIONS

A career in Pharmacy unfolds a vista full of opportunities leading to a golden future for young aspirants in areas such as:

Research & Development: M.Pharm, Pharm D., Pharm D. (PB) and Ph.D are particularly in great demand in the various areas of Pharmaceutical R&D areas where professionals are required.

New Drug Discovery Research: Discovering a new drug has assumed prime importance in the post-GATT era where a pharmaceutical company has to ensure that it is selling original research products.

MANUFACTURING

Tablets, Capsules, Injections, Ointments, Lotion, Syrups & Insulin etc.

PROCESS DEVELOPMENT

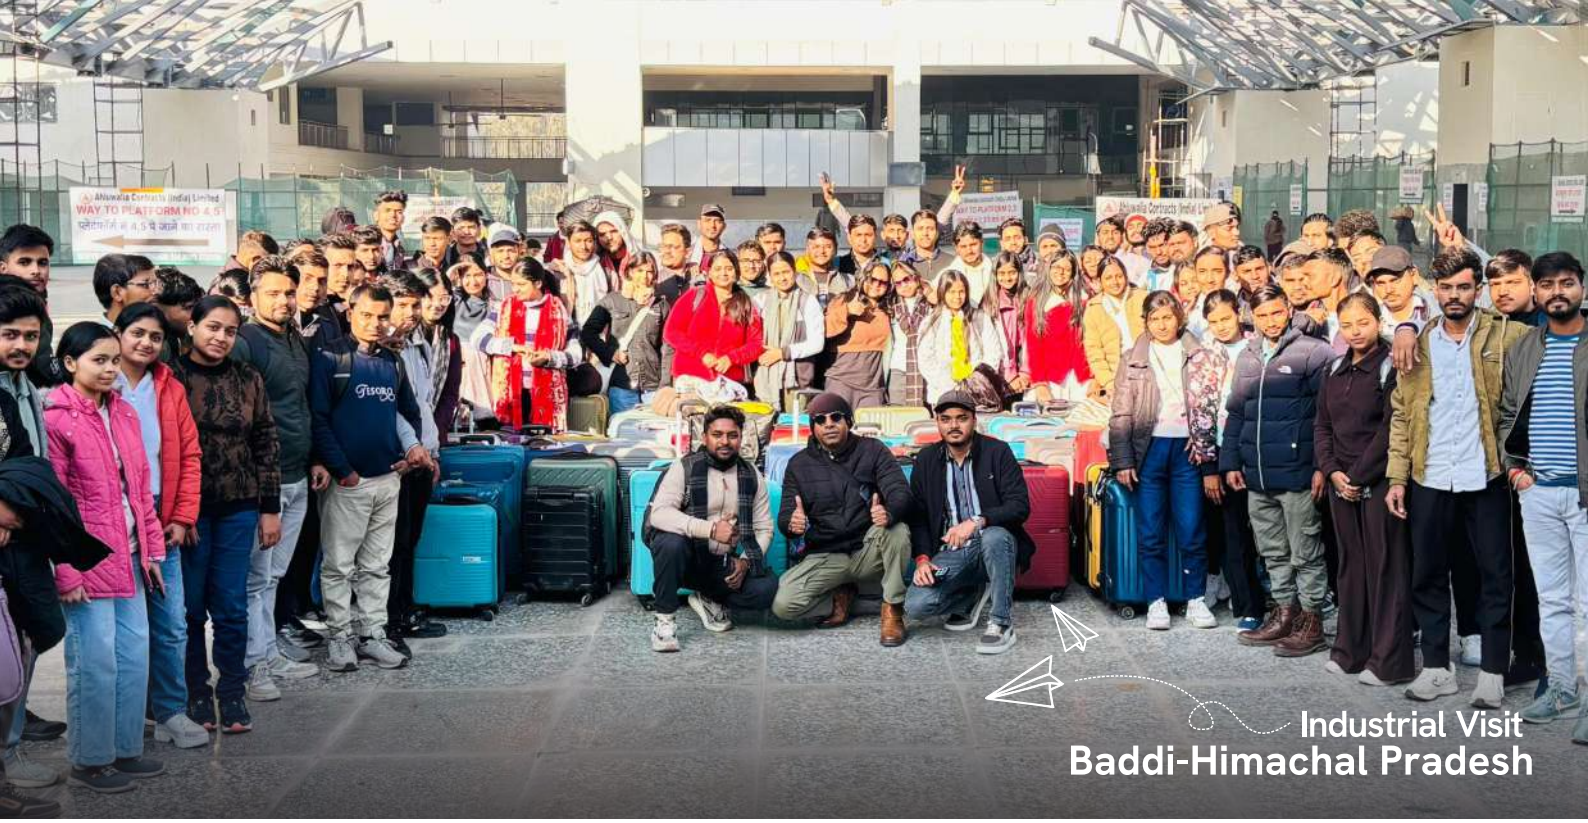

One of the important areas in bulk drugs industry is developing viable processes for the manufac - ture of drugs and intermediates for their commer -cial production.

FORMULATION AND DEVELOPMENT

The success of any pharma company lies in the quality of its products, its formulations & dosage forms & constant research is required to develop new products that are more patient com pliant. Formulation development ensures this.

EXTENSION OUTREACH

- Extension Activity on *"Adverse Drug Reactions and Role of Pharmacists".*
- Industrial Visit.
- Central Lab Visit.
- Pharmacist Day and Health Camp.
- CSIR-CIMAP Visit.
- International Conference.
- Extension Activity on "Benefits of Feminine Hygiene".

Student Success Testimonials

-Ms. Prerna

All my professors have given me an outstanding education & knowledge through which I achieved first position in my class. I am grateful for being a part of Rama University.

-Mr. Shivam Shakya

I feel very proud that I have been a part of Rama University. All the faculties were supportive who have helped a lot during the college in my studies. They have given me a clear understanding about career as a pharmacist. Thanks to all the faculties & Rama University.

- Ms. Afreen
-Ms. Prerna

I feel privileged that I have been a part of Rama University. Teaching staff of pharmacy department is helping at the same time supportive who have guided me to achieve my goal. They have given me full knowledge about pharmacy field and each and every subject also. I am thankful that I had such a great university with supporting faculties.

TOXICOLOGICAL STUDIES

These are some of the areas of clinical research which are in high demand as they are involved in the systematic evaluation of potential drug substances prior to getting them approved by the authorities.

MARKETING

Pharma Sales & Marketing is a highly technical field and offers excellent opportunities for the pharmacy graduates. Pharmacy graduates are absorbed as product executives or managers & can progress through group product manager & brand manager positions & rise to national level manager status.

HOSPITAL/CLINICAL PHARMACY

Another opening for a Pharmacy professional is "Registered Pharmacist" in the hospitals or drug. stores. This is a very sought after profession especially in countries like the U.S.A., Canada, Middle East and European countries. This is a key position and the Pharmacist plays an important role from preparing prescription to the patient's medical history after the medical doctor has diagnosed the disease.

ANALYSIS & TESTING

The Quality Control & Quality Assurance Q.A. are the most integral areas of the drug and pharmaceutical industry. Highly specialised and trained staff is required to handle sensitive analytical procedures & sophisticated equipment.

DOCTOR OF PHILOSOPHY

Excellence in Research &
Innovation for Nation Building

Admission July 2026

UNIVERSITY PROFILE

Rama University is a multidisciplinary research-oriented University established with the vision of imparting quality education, promoting innovation, and fostering academic excellence. The University has emerged as a center for higher learning, professional education, and advanced research in diverse disciplines including Medical Sciences, Dental Sciences, Agricultural Sciences, Engineering & Technology, Pharmaceutical Sciences, Management, Law, Humanities, and Allied Health Sciences.

The University is committed to developing a vibrant research ecosystem through interdisciplinary collaborations, innovation-driven research, industry interaction, and socially relevant academic practices. With modern infrastructure, advanced laboratories, digital libraries, experienced faculty members, and a research-supportive environment, Rama University continuously strives to contribute toward nation-building through knowledge creation and dissemination.

The University promotes ethical research practices, quality publications, patents, consultancy, community engagement, and innovative solutions addressing national and global challenges.

www.ramauniversity.ac.in

Ph.D. CELL

The Ph.D. Cell of Rama University has been established to strengthen research culture, academic integrity, innovation, and interdisciplinary learning across all faculties of the University. The Cell functions as a central coordinating body for, monitoring, facilitating, and regulating doctoral research activities in accordance with UGC Regulations and University norms in consultant under the supervision of R&D Cell, Rama University, Kanpur.

The Ph.D. Cell aims to nurture competent researchers, academicians, professionals, and innovators capable of contributing meaningfully to society and national development through impactful research.

VISION

To emerge as a center of excellence in Ph.D. research by promoting quality, ethical and socially responsible research aligned with the Vision of Rama University.

MISSION

- To promote quality, innovative, and ethical research as per national and international academic standards.
- To encourage socially relevant & industry-oriented research addressing contemporary challenges.
- To promote quality publications, patents, research projects, & academic integrity.
- To ensure transparency, accountability & compliance with UGC Regulations and University norms.
- To contribute to national development and social welfare through value-based research initiatives.

CORE OBJECTIVES

- To maintain research quality and compliance with UGC Regulations and University norms.
- To support research scholars in publications, IPR, and research ethics.
- To organize FDPs, workshops, conferences, and research-oriented academic activities.
- To develop a research culture integrating academic excellence with social responsibility.
- Relevant and outcome-oriented research initiatives.

MOTTO

Excellence in Research and Innovation for Nation Building.

Ph.D. ADMISSION – JULY 2026

Applications are invited for admission to the Ph.D. Programme in various Faculties and Departments of the University for the July 2026.

IMPORTANT DATES

PARTICULARS	SCHEDULE
Commencement of Online Registration & Application Submission	14th May 2026
Last Date for Online Registration	18th July 2026
Date of Entrance Examination	25th July 2026
Date of Personal Interview / Viva-Voce	25th July 2026
Venue	Seminar Hall, 1st Floor VC Building, RU
Declaration of Ph.D Entrance Exam Result	7th August 2026

ELIGIBILITY CRITERIA

ACADEMIC QUALIFICATION

A Candidate seeking admission to the Ph.D. Programme must possess:

- A Master's Degree or equivalent professional degree recognized by the relevant statutory regulatory body.
- Minimum 55% marks in aggregate or equivalent grade in the qualifying examination.
- Equivalent qualification from a recognized foreign educational institution may also be considered.

RELAXATION

A relaxation of 5% marks shall be applicable for:

- OBC (Non-Creamy Layer) Candidates
- SC/ST Candidates
- Differently-Abled Candidates
- Other categories as per UGC norms & Government guidelines

FINAL YEAR CANDIDATES

Candidates appearing in the final semester/year examination of their postgraduate programme may also apply provisionally subject to fulfillment of eligibility criteria at the time of admission.

ADMISSION PROCEDURE

Admission to the Ph.D. Programme shall be conducted as per UGC Regulations and University norms through the following process:

ENTRANCE EXAMINATION PATTERN

The Entrance Examination for admission to the Ph.D. Programme shall consist of Multiple Choice Questions (MCQs).

EXAMINATION STRUCTURE

Component	No. of Questions	Marks
Research Methodology	35 MCQs	35 Marks
Subject Specific	35 MCQs	35 Marks
Written Examination Total	70 MCQs	70 Marks
PI (Personal Interview)	———	30 Marks
GRAND TOTAL	———	100 Marks

- Each question shall carry 01 mark.
- Duration of the Entrance Examination shall be 02 Hours.
- Qualifying Mark Minimum in the Entrance Examination shall be 50%.

PART A – RESEARCH METHODOLOGY (50%)

- Logical Reasoning
- Quantitative Aptitude
- Data Interpretation
- Research Aptitude
- General Awareness
- English Language

PART B – SUBJECT SPECIFIC (50%)

Questions related to the discipline/domain in which the candidate seeks admission.

ENTRANCE TEST EXEMPTION

The following categories of Candidates may be exempted from the Entrance Examination as per University and UGC norms:

- UGC-NET / JRF Qualified Candidates.
- CSIR-NET / JRF Qualified Candidates.
- Candidates possessing M.Phil. Degree through Entrance Test mode.

- Candidates previously admitted to recognized Ph.D. Programme through Entrance Test.
- SLET Qualified Candidates.
- GATE / GPAT Qualified Candidates.
- ICAR / ICMR / DST-INSPIRE Fellowship Holders.

Such Candidates shall, however, appear before the FRC for Interview/Viva-Voce.

Ph.D. CATEGORIES

The University offers admission under the following categories:

- Full-Time Research Scholar.
- Part-Time Research Scholar.

RESEARCH FACILITIES

The University provides advanced research infrastructure and academic support facilities including:

- Modern Laboratories and Research Centres
- Central Library with Digital Access
- E-Journals and Research Databases
- High-Speed Internet and ICT Facilities
- Research Methodology Workshops
- FDPs, Seminars, Conferences, and Symposiums
- Interdisciplinary Research Support
- Publication and Patent Assistance
- Research Ethics and IPR Guidance

FACULTIES OFFERING Ph.D. PROGRAMMES

- Faculty of Medical Sciences
- Faculty of Dental Sciences
- Faculty of Agricultural Sciences & Allied Industries
- Faculty of Pharmaceutical Sciences
- Faculty of Engineering & Technology
- Faculty of Commerce & Management

GENERAL INSTRUCTIONS

- Candidates are advised to carefully read eligibility criteria before applying.
- Incomplete applications shall be rejected.
- Admission shall be provisional subject to verification of original documents.
- The University reserves the right to revise the schedule or admission process.
- The decision of the University authorities regarding admission shall be final and binding.
